We regret to report a mistake in Sec. II of our paper. In the text between Eq. (6) and Eq. (7), the equations for $a_i(t)$ and $b_i(t)$ should be $a_i(t)=c_i\{[d\langle f_i(\mathbf{r})\rangle]/dt\}$ and $b_i(t)=u_i\{[d\langle g_i(\mathbf{r})|\psi|^2\rangle]/dt\}$, respectively. This is a typographical error and did not effect the contents, results or conclusions of the paper.
